MR. CLEO DOPP

# Dedication

The members of the 1960 Lan-Hi staff have chosen to dedicate this yearbook to you, Mr. Cleo Dopp, for your many years of devoted service here at Lanphier.

A member of the faculty since Lanphier first opened its doors in 1937, you have made many significant contributions to our school. Your past association with Lanphier's football and track programs was responsible for some of our school's most memorable sports season. Your past and present association with Lanphier's Social Science Department has made it one of the strongest departments in the school. Knowing your interest in history, we have chosen it for the theme of this yearbook.

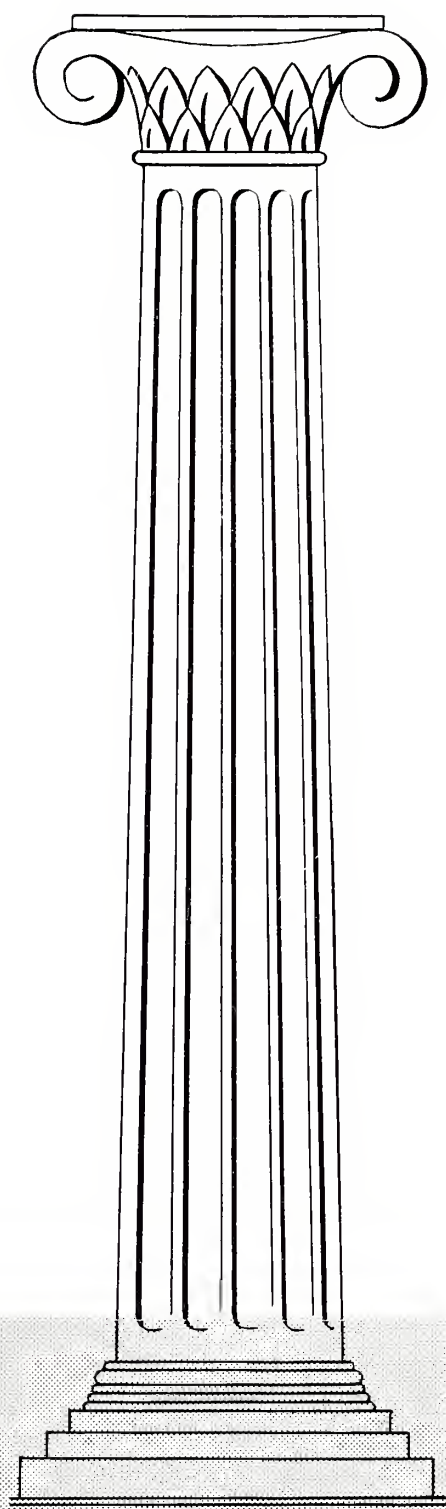

Mr. Dopp, in recognition of your efforts and achievements here at Lanphier, we, the Lan-Hi staff of 1960, dedicate to you, with gratitude, admiration, and respect, the 1960 Lan-Hi.

## Mr. Petefish Practices What He Preaches

Cat is not spelled k-a-t, Mrs. Wieties.

"A job well done, students" is a commendation often heard from one who has, himself, done a consistently commendable job. Mr. Petefish is well known as a close friend and capable counselor to Lanphier students. Mr. Petefish never fails to attend a school game or activity, always bringing with him his contagious enthusiasm and spirit for Lanphier High School. As advisor to the Key Club, he enables Lanphier boys to experience the pleasures of serving others.

In the years to come, all students will remember Mr. Petefish as the source of everything that they enjoyed and admired at Lanphier High School and as a truly wonderful man.

**DR. RUTH W. RICHARDSON**  
*PhD., Pennsylvania Street University*  
 Guidance Director

Mrs. Ruth Richardson, the dean of girls, realizes that the high school years are often difficult. She understands each girl's problems and helps her to make the right decisions.

Each year Mrs. Richardson guides the girls in planning their schedules. Each junior is given an individual interview. In addition she helps senior girls to choose a college and to secure scholarships.

The girls at Lanphier and those who have already graduated are thankful to Mrs. Richardson for the long hours she has spent in their behalf.

**LESTER BROOKS**  
*M.S. in Education, University of Illinois*  
 Student Council

One of the busiest men at Lanphier is Mr. Lester Brooks, dean of boys. To the students and especially to "his" boys, Mr. Brooks is much more than a dean. The informal atmosphere of his office encourages boys to drop in just for a chat or some "fatherly" advice. They know he is genuinely concerned with their welfare.

In addition to these time-consuming duties, Mr. Brooks still finds time to be advisor to the Student Council. Present at each meeting, he is a great help in giving Lanphier a sound student government.

Science and mathematics, two of the many college preparatory courses offered at Lanphier, are directly concerned with the promises of tomorrow. Perhaps it will be one of Lanphier's students in these courses who tomorrow will place us on the moon, strengthen our defenses against aggressors, or in some way make our living more comfortable and convenient. Few students realize the value of science and mathematics in the years to come.

Sound, logical, scientific thinking will assure the progress that is necessary for a secure future.

At Lanphier, three courses of science and seven courses of mathematics are available to college bound students, as well as to other students who recognize the extreme importance of these courses. Lanphier is proud of the scope of its program in these courses, the competence of its instructors in this department, and the quality of its facilities available to students in these vital subjects.

All social studies are basically a study of society. They help to give us a greater insight into the world around us.

World history and U. S. history give the student a clear idea of the past. American government teaches the establishment and operation of our democratic form of government.

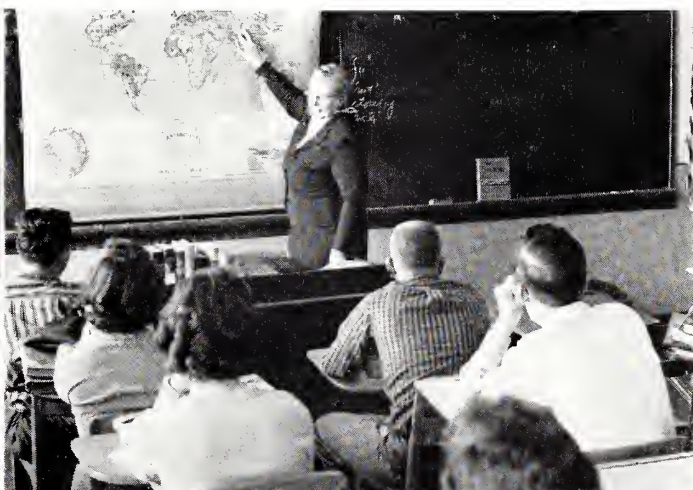

Increasingly important in this day and age is the study of economics. This subject includes the study of buying, selling, and our economic way of life.

For those who are interested in law or psychology, one semester is offered in each of these subjects. Commercial law teaches the fundamentals of business law. Psychology is the study of man's emotions and the reasons behind his actions.

In the social studies courses textbook material is supplemented by extra reading, maps, and charts. The students themselves are often urged to conduct classroom discussions.

And what are you doing after class?

The English department, which includes courses in grammar, literature, and speech, serves to instill in the student an appreciation and mastery of his language. Competence in this particular field of study is necessary for success in any other field.

Courses in grammar are designed to teach the student the use of the tools of English. When the student has eliminated the major grammatical errors from his English, he begins work on the writing of compositions. Writing, it is hoped,

will afford him an opportunity to practice these skills he has gained and develop a logical, orderly method of presenting ideas.

Literature courses introduce the student to men who have mastered the use of the English language and to the great ideas of our western world.

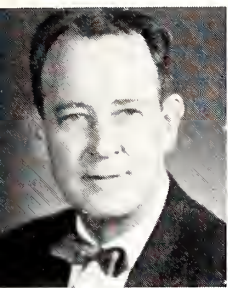

Speech courses teach the student eloquence and poise. Serious application to the study of speech produces an impressive, confident individual.

The commercial department strives to develop understanding and efficiency in the fundamental skills needed by those just entering the business world. The curriculum of this department includes typing, shorthand, bookkeeping, and office machines. The college-bound student will also find typing and shorthand valuable to him, not only at college but throughout life.

Speed and accuracy are the main objectives in typing and shorthand.

Pins are awarded to those who achieve certain

goals. The students also have practice in taking dictation and learn the proper forms for business letters.

There are many new machines which are used in the world of commerce. In the office machines class the student learns the care and operation of these machines.

Those taking bookkeeping will find it a useful subject whether they are keeping their own personal records or those of a business concern. Correct records are important in every profession.

Students who wish to study courses they are certain to need in later life should investigate the programs offered by Lanphier's Industrial Arts Department. Courses in this department are designed to meet the student's practical needs.

Those boys who enjoy working with their hands and with tools have a variety of courses to choose from in this department. Courses in woodworking and printing are offered to boys who wish to develop skills in those areas.

For boys who intend to enter fields of engi-

neering, mechanical drawing is offered.

Girls interested in practical courses may register for homemaking, sewing, family care, or home management. Any of these courses will prepare the girl for the future role of a homemaker.

Students in industrial arts often bring honor and acclaim to themselves and Lanphier High School. Student projects entered into competition by this department consistently take top honors.

Students with talents and interests for the fine arts have several fields of study which they may engage in here at Lanphier. Our Fine Arts Department offers courses in vocal music, instrumental music, art, and foreign languages.

For the student who has a good voice which he enjoys using, Miss Duncan's courses in vocal music are an enjoyable experience. Students with the best voices are admitted into the A Cappella Choir.

Other students may enroll in senior choir to

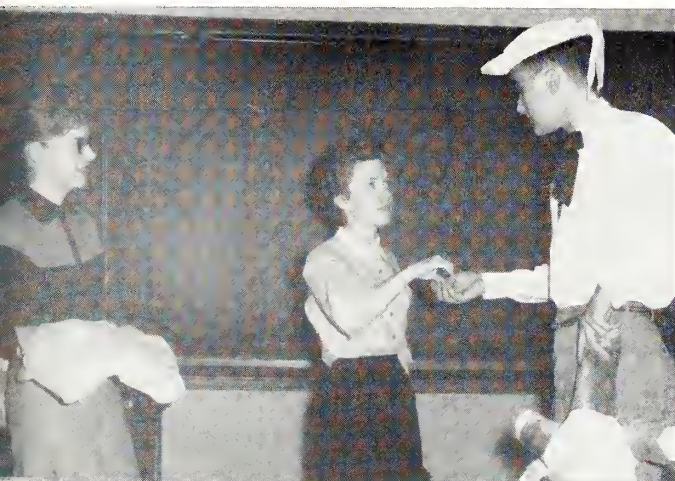

perfect their voices until they are acceptable for A Cappella.

Courses in instrumental music, under the direction of Mr. Garlanger, develop talents in Lanphier students and produce the Lanphier Band, known for its polished performances.

The art courses at Lanphier, taught by Mr. Mullinix, develop creative talents in our students.

Latin, French, and Spanish, all taught by Miss Furlich, enable the student to develop his talents in foreign languages.

The motto of Greek educators was: "A sound mind in a sound body." The second purpose expressed in this motto is accomplished by courses in physical education here at Lanphier. For one period on alternate days, students meet in the school gymnasium and balance their mental exercise with physical exercise. Activities in these courses also teach students the virtues of cooperation and fair play.

The excellence of our physical education program is evidenced by our fine attendance record. Being in perfect health, Lanphier students rarely miss a day of school.

Saving lives and preventing accidents are the main goals of drivers' training. Sophomores are now required to take the course for six weeks. During this period they learn the basic rules of safe driving and must be able to recognize the various traffic signs.

After taking the classroom phase of drivers' training some students are given actual behind-the-wheel experience. In order to obtain their drivers' licenses the students must pass a written examination. Besides being careful drivers, they must also learn to be courteous. It has been found that students taking this course are in fewer accidents than those not taking it.

## Maintenance Staff Indispensable

Visitors to Lanphier are welcomed by clean blackboards, polished floors, and neat halls. These in themselves are positive proof of the conscientious maintenance staff.

Called upon countless times a day to perform numerous tasks, they cheerfully and willingly give their assistance. Their services, which are often taken for granted, are indispensable. When students carelessly litter the halls and classrooms, they never stop to think of the extra work this causes for the maintenance staff.

Not enough thanks can be given to them for their unceasing work to make Lanphier a better and more comfortable school.

## Cafeteria Staff Performs Daily Miracle

The task of the cafeteria staff is to serve meals to nearly one thousand Lanphier students each day during a forty minute period. The staff performs this seemingly impossible task with remarkable skill and efficiency. The student who patronizes the cafeteria may always be sure that his meal will be well-balanced and attractively presented.

This was the third year in which Lanphier students went across the way to Edison Junior High's cafeteria for their meals. However, it was certainly worth that short trip each day to enjoy the tasty food prepared by the remarkable cafeteria staff.

The cafeteria staff should be commended for the task which they have unfailingly performed throughout the school year.

## New Nurse is Asset

If you are lucky enough to have a toothache on Monday or Wednesday, you will receive the expert attention of Miss Helen Donelan, Lanphier's school nurse. Miss Donelan, who replaced Mrs. Veta Coomer, also visits all the grade schools in this area.

Each year the tuberculosis skin test is supervised by the nurse. It is up to her to see that everything runs smoothly.

As advisor to the Samarites, Miss Donelan has won the respect and admiration of all the girls.

## Cheery Faces Spark School Office

The efficient manner of the office staff at Lanphier keeps school business running smoothly. Members of the office staff keep an accurate record of attendance, take care of all bookkeeping, and perform various other duties which confront them each day. Although the office is one

of the busiest places in the building, it is also one of the friendliest. Office staff members keep the atmosphere of the office constantly cheerful. Everyone at Lanphier should be thankful to these persons who perform such an unflinching duty to Lanphier High School.

The office assistants are students who volunteer to help the regular office staff by giving up their study periods. For one hour a day they collect attendance slips, answer the telephone, take messages to the classrooms and run general errands.

The deans' assistants likewise give up their free periods to assist Mrs. Richardson or Mr. Brooks. A great variety of tasks are performed by these aides. They answer the telephone, fill out schedule cards, and type. In addition they run errands and guide visitors through the school.

Both the deans' and office assistants are definitely an asset to the efficiency and orderly management of the office.

Fine athletes of sound body and high character have been the goal and the achievement of Lanphier's competent coaching staff.

Late in the summer, before the start of school, Mr. Ransford's football players began training for what proved to be another successful season. This year's team finished the season with a 4 and 5 record, gained against tough competition. Mr. Ransford was capably assisted by Mr. Ray Ramsey and J.V. coaches, Mr. William Browning and Mr. Don Anderson, Jr.

When winter came, the spotlight turned to basketball and Mr. Lober, who experienced his sixth year as L.H.S.'s head basketball coach. Mr. Ramsey took over the reins of the J.V. squad. At the same time, Mr. Ransford's grapplers were enjoying a very favorable season, climaxed by three boys gaining the state finals at Champaign.

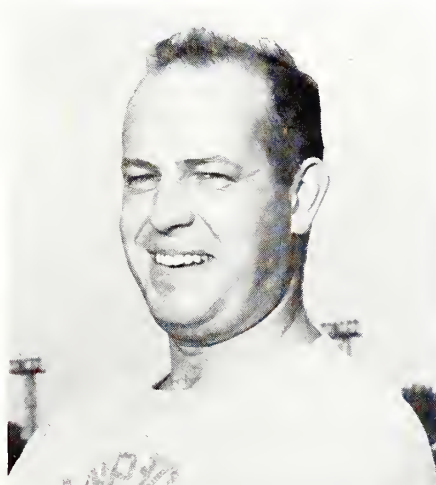

Long before the snow left the ground, Mr. Ramsey's track men and Mr. William Matlack's baseball players were running the halls to condition themselves for the forthcoming season. Soon afterwards, Mr. Lober's tennis stars started to limber up; and the golf team, with a new coach, Mr. Fox, invaded the city greens.

## Lions Do Well Against Tough Opponents

Anyone for a hot shower?

Mr. Ransford's little helpers—Jim Angell, Ron Withrow  
George Krimmel, Darryl Webb, and Les Richards.

The 1959 Lanphier football team started its season poorly with a 12 to 0 loss to Lincoln. In their next outing, however, the Lions showed their potential in holding a flashy Champaign outfit to a 20 to 12 decision. In city competition the squad again exhibited moments of impressive play, but careless mistakes cost them a 19 to 6 loss to Feitshans and a 27 to 12 defeat at the hands of Springfield.

Finally, a much improved and more experienced Lion crew was able to break into the win column by downing Griffin 18 to 7. The Lanphier eleven then followed the Griffin win with successive victories over Beardstown, 32 to 19; highly rated Jacksonville, 13 to 6; and St. Teresa, 25 to 7. In the season finale against Peoria Manuel, the state's top rated team, the spirited Lions battled to a 7 to 0 half-time lead. Lanphier, however, was finally overwhelmed when Manuel scored twice in the fourth quarter, handing the Lions a 14 to 7 loss. This defeat gave the Lions a 4 and 5 record.

The fine finish after such a poor start is in itself a tribute to a fine coaching staff and a spirited group of boys. Ron Sprague, team captain, won spots on the All State, All Southern, and All City teams. Other recipients of All City honors were Don McGuire and Alvin Robinson.

## JV Squad Finds Going Rough

You'll never catch Tom; he's wearing his P F Flyers.

Mr. Browning and Mr. Don Anderson, Jr., son of Lanphier's ex-head football coach, found the going rough in their first season as coaches of the sophomore football team. They opened their season by losing to a powerful Jacksonville (30-0). In the city competition the young Lions lost to Feitshans (18-6), Springfield (13-6), and Griffin (35-6). The Virden youngsters proved to be too much as the 40 to 7 score indicates. In closing the sophomores were able to eliminate some of their mistakes while holding Clinton to a 6 to 6 standoff.

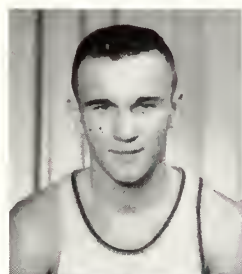

Mr. Browning feels his boys gained experience which will help them in next year's varsity play.

During this span of ten games the Lions traveled to Canton for the first annual Canton Holiday Tournament where they took fourth place among a strong field of eight teams.

During the City Tournament, Lanphier defeated Feitshans while losing to Springfield and Griffin.

In the second half of the season the calibre of Lanphier's schedule began to show. The team was able to pick up victories over Auburn, Taylorville, Christian Brothers, and Mt. Pulaski while taking losses at the hands of such powers as Eisenhower, Mount Vernon, Manual, Clinton, MacArthur, and Alton.

A rumble in the wrestling room.

Oh, Honey!  
Is this a new type of hold?

Wrestling at Lanphier has continued to gain in popularity until it has now become one of our major sports, as evidenced by the strong showing of this year's matmen.

The Lion grapplers, ably coached by Mr. Ed Ransford, won first place in a quadrangular meet with Eisenhower, Feitschans, and Jacksonville. In other tournament competition, the Lions, as a team, placed third in the regional and fourth in the sectional.

Allen Robinson, by winning the sectional, and Ron Sprague and Alvin Robinson, by placing second, earned the right to compete in the state finals at Champaign.

Anyone lingering after school in the halls of Lanphier during the early spring has certainly become acquainted with the thinclads. These hardy athletes began running through the halls before the weather permitted them to go outside.

Returning this year were six lettermen who provided the backbone for this year's squad. Under the guidance of Mr. Ramsey, their expert coach, many of these boys will no doubt gain recognition in future competition.

Lanphier High School acquired another capable coach this year when Mr. William Matlack took over the duties of head baseball coach. Mr. Matlack replaced Mr. Ted Boyle, who retired last season after twenty years of faithful service in this capacity.

Coach Matlack began the season with a core of seven lettermen backed up by a crop of promising underclassmen. Lack of practice due to inclement weather conditions in the early part of the season caused numerous errors.

These errors resulted in the Lions suffering one run defeats to Pleasant Plains, Eisenhower, and Farmersville, while winning over only Jacksonville. As the season progressed and the weather improved, the Lions likewise improved impressively and began to acquire the signs of a well polished outfit.

## Inexperienced Team Shows Determination

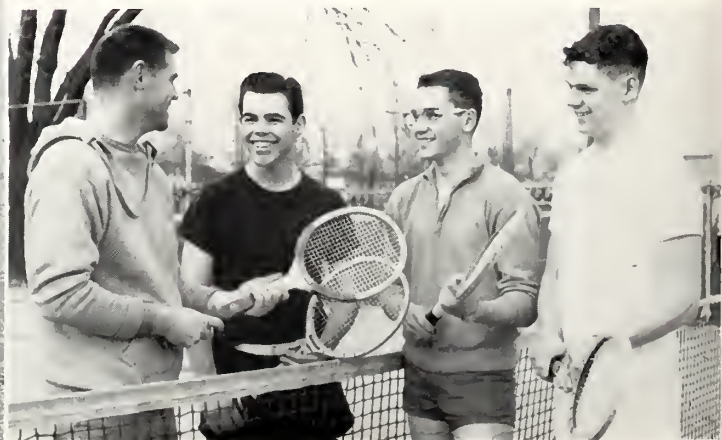

Here goes nothing!

With only one returning letterman, this year's tennis squad was handicapped by a lack of experience, but not of spirit. However, a number of underclassmen proved capable of filling those gaps left by last year's graduates and of producing an even stronger team next year.

Numbered among the opponents of this year's racketmen are such prominent net squads as Jacksonville, Quincy, Mt. Pulaski, and Springfield. On May 7, Mr. Arlyn Lober took his crew to the District meet where the boys endeavored to win a place among the numbered few in the state finals.

"This beats teaching any day," says Mr. Lober.

R. Perkinton, C. Reynolds, L. Morrison, J. Guy, J. Evans, Mr. Robert Fox.

## Golf Team Learns Sportsmanship and Skills

Of course you can have my autograph!

Almost before the snow had completely melted, Lanphier's small, avid band of divot diggers invaded the city greens. With five returning lettermen, the Lion golfers enjoyed a prosperous season. Mr. Robert Fox, the new golf mentor, pitted his duffers against such worthy competition as Jacksonville, Eisenhower, and Quincy, as well as the local city teams. The Lions also vied for honors in the Quincy Invitational and the District Tournament on May 7.

Who knows? I may be President some day!

In a brief, but impressive, ceremony following the Thanksgiving assembly last November, forty-eight members were inducted into the National Honor Society that they might have something for which to be thankful. Members can be thankful for the honor of belonging to a society open only to students superior in academic achievement, moral character, and service to their school.

## Honor Society

You're in! \$2.50 and make it quick!

At a formal ceremony late in April, twenty-nine Lanphier students were inducted into the Quill and Scroll Club. Drawing its membership from the school's two publications, the Quill and Scroll Club serves as Lanphier's journalistic organization. The most earnest workers on the staffs of two publications are rewarded for their efforts by admission into this club.

Quill and Scroll is a national organization of outstanding high school journalists. Many of today's prominent journalists were members of this organization in their high school days.

Members may be proud of their acceptance, for membership is a mark of journalistic accomplishment.

Guiding the student body through each school year is the Student Council, an organization which has been a part of Lanphier for 22 years. Functioning somewhat like the Congress of our nation, it acts upon problems submitted by home-room representatives and works for the welfare of the school.

This year the Student Council helped to make the P.T.A. Bar-B-Que a success by selling tickets. They also provided and decorated the Christmas tree which was pronounced "perfect" by teachers and students alike.

In January the members of the Council took an active part in the "Peanuts for Polio" drive sponsored by the Intra-City Student Council.

Hey! Who turned out the lights?

## Yearbook Sales Exceed All Expectations

Jab her with some paste, and she'll wake up.

The 1960 Lan-Hi is here in spite of the Wednesday morning meetings, deadlines, and filing cabinets which wouldn't open. The staff is proud to have sold 900 books, which is an increase of 100 over last year.

After receiving such an enthusiastic response to their sales campaign, the staff members were even more determined to give the students a yearbook they would be proud to own. With the help of Mrs. Jane Bailey, their guardian angel, they feel they have accomplished this purpose.

The staff, the largest in the Lan-Hi history, has devoted many long hours to make this 1960 Lan-Hi the best yearbook Lanphier has ever had.

Row 1: L. Mack (Asst. Ed. 2), E. Wallace (Ed. 2), F. Anuei, C. Thiessen (Asst. Ed. 1), C. Rieck, C. Kink, J. Garlo, C. Grieme, Row 2: J. Farris, L. Sands, G. Carver (Ed. 1), J. Robertson, D. Kuhn, J. Houlihan (Bus. Mgr.), T. White, S. Gillick, N. Upton, S. Hall.

## Staff Expands Scope of Lanphier Light

The Lanphier Light staff this year held as its goal the publishing of a bigger, better, and more enjoyable school newspaper than ever before. They achieved this goal early in the year. More pages, more news, more special articles—these have been the qualities of this year's Lanphier Light since the very first issue was published last fall.

A significant service to both the school and the city was the staff's management of Lanphier's March of Dimes Campaign. The willingness of so busy an organization to accept this additional burden is a commendable gesture and an indication of the staff's ambition.

There **MUST** be one for me.

Third hour classes fortunate enough to be within hearing range of Room 37 hear daily the singing of Lanphier's A Cappella Choir. This year the Choir could be heard preparing for a number of performances—the Christmas Assembly and the Vesper Service during the holidays, the many concerts which the Choir presented before community audiences, and the Baccalaureate Service for graduation. Whenever a program requires beauty, reverence, and a high spiritual content, the services of the A Cappella Choir are solicited.

Under the capable guidance of Miss Esther Duncan, the Choir consistently presents polished performances of the very highest quality of music.

# Its Highly Honored Name

. . . And I promise if I am elected . . .

"Honorable judge, worthy opposition, fellow debaters . . ." After beginning his verbal fight with this deceptively polite introduction, a Lanphier debater proceeds to prove that his opponents are wrong in every respect. The debater's task is to advance opinions and facts concerning a topic and to defend them by refuting all contradictory opinions his opponents may advance.

Under the guidance of Mr. William Browning the society this year studied the labor problem in America. Four members represented Lanphier in the State Speech Contest and proved that theirs may still be numbered among the best teams in Illinois.

You never can tell what will happen at a Hi-Y meeting. Members hear lectures from men representing all fields and trades. Whatever your interests, they are sure to be dealt with at one time or another during a year of Hi-Y activity.

This year the Lanphier Hi-Y Club participated in the Youth and Government Program. Through this program, members were afforded an opportunity to actively engage in mock-legislative procedures and learn all the complex functions of our government.

Operating on a wide scope, the Lanphier Hi-Y Club presents a challenge to the boy who wishes to have truly educational experiences.

Smile, boys, if you want "A's" in government.

Mr. Chiti catches someone sleeping in the side pew.

Each Tuesday morning at eight o'clock, the Lanphier Youth for Christ Club meets to promote understanding among people and stronger faith in God.

The Youth for Christ is an International organization. It has an adult council and a youth council which meets once a month to plan activities and discuss business. There is also a rally each month at the Centennial Building which all members attend. At this rally there are guest speakers, special music, and bible quizzes among the various schools.

Besides the weiner roasts, skating parties, and banquets, an annual Convention is held in Washington, D. C., and a "Campspiration" in the summer.

Boys, if you are looking for a good wife, Lanecon has many to offer. The purpose of this club is to create more unity in family living and further interest in home economics.

Some of the activities designed to foster family fun are Daddy Date Night, the Mother Daughter Banquet, and Family Night. Interest in home economics was promoted by a baking contest, a cosmetic demonstration, and a speaker who talked on "What Home Economics Offers You."

As a money-making project, the girls in Lanecon made black and orange yarn dolls and sold them. They also sold donuts and sponsored an after-game dance.

Not TV dinners again!

## Thespians Restore Life to School Stage

Ah!!! She bit me! (L. to R.) C. Watts, G. Krimmel, C. Fee.

The first active Dramatics Club at Lanphier in several years was formed early in the fall and, under the guidance of Mr. Pialorsi, quickly became one of the school's busiest organizations. Within but a few weeks, a one-act play had been selected for production, a cast had been chosen, and rehearsals were in progress.

Three hectic months were needed to rehearse this play. Finally, early in January, *The Apollo of Bellac* was presented at an assembly. The warm reception given this play by the student body encouraged the club to enter it in the State Speech Contest, where it brought high honors to both the school and the club.

## Art Club Members Work Diligently

Lanphier's Art Club is one of the most charitable organizations on campus. Whenever any other organization needs posters or displays of any type, the Art Club is willing to lend a helping hand.

Drawing its membership from all persons at Lanphier interested in art, the Art Club fosters creative and appreciative talents. Members are given an opportunity to cultivate enjoyable hobbies or to prepare for future careers in art.

It is not necessary to be an art student at Lanphier in order to join the club. The Art Club affords to students who are unable to take Lanphier's art courses an opportunity to satisfy their needs.

"But officer, I'm not really breaking into this church," says R. Perkinton.

Row 1: P. Krueger, S. Bridges, M. Bartlett, B. Clemens, D. Myers. Row 2: R. Schroeder, J. Kalinauskas, R. Hayes, J. Gobble, D. Johnson. Row 3: S. Wall, C. Riley, W. Brawner, D. Webb, J. Meyerhoff, R. Powell. Row 4: L. Fults, D. Jones, K. Kirk, T. Ransom, E. Diezban, E. Vespa.

The Lanphier Band had this year one of the busiest, most productive, and most successful seasons in its history. Members not only performed the traditional services of the school band, but also introduced a new service of their own creation. In January, they presented Lanphier's first dance party of popular music.

The band continued this year to serve both the school and the community, providing music at assemblies and games and hosting the city's basketball tournament. As in the past, by presenting concerts before public audiences, band members demonstrated for Springfield the talent and ambition of Lanphier students. The Band is truly an able spokesman for the school.

Do you think this one will make the "Top Ten"?

# Have Active Season

Mr. Petefish "pins" George Anne.

Don't be frightened. Samarites don't bite. It's only the new name of the Future Nurses Club. Their purpose is to acquaint girls with the duties of nursing and encourage them to enter the field after graduation.

Their meetings are held twice a month. At these meetings they have guest speakers and learn practical nursing skills; such as making beds and taking temperatures.

Each year this club assists the doctors in administering the tuberculin skin test. The members also take tours through hospitals and nursing homes.

Miss Helen Donelan, the new nurse at Lanphier, is the advisor.

Do you have any personal questions? Many students do and for this reason the P. Q. Club was organized this year by Mrs. Eunice Cline to replace the Psychology Club.

At any time members may put their questions in a little box provided for this purpose. These questions will then be answered and discussed at the next meeting.

Some interesting speakers and their topics featured at the meetings were Dr. L. C. Cline, vocational rehabilitation; Lieutenant Sexton, the lie detector and drunk-o-meter; Mrs. Mary Meyers, mental health; and Mrs. Cashman, who spoke on braille, the language of the blind.

Whatever's down there must be interesting.

"We challenge you to a game of volleyball," cried the girls of the G.A.A. Having developed great skill, they were confident of victory. The challenge was eagerly accepted by six female faculty members; however, the score of that game has never been revealed.

The girls were not quite so confident at bowling, which many of them attempted this year for the first time. This activity took place at the Bowl where the girls received special student rates.

Under the leadership of Miss Nancy Thimos, the Girl's Athletic Association is open to all girls who enjoy participating in sports. Since its organization in 1934, the G.A.A. has always had a large membership.

The L Club, one of the oldest organizations on campus, is a club for Lanphier's lettermen. Among its members are the most popular and respected boys on campus. Membership in this club is one of the goals of most entering freshman boys. Their interest in this club is understandable, for membership in the L Club is, indeed, a mark of achievement.

Under the capable guidance of Mr. Matlack, this year the L Club boys had an active year of spirited fun. As in the past, members sold popcorn to raise funds for their many projects. Frequent parties and other enjoyable activities made this a memorable year for all members.

What is this, a "L"unatic club?

The Key Club serves to instill charity in the characters of its members. This year members held a banquet for their parents early in the fall, sponsored a Christmas party for the children of the Washington Street Mission, provided four after-game dances and daily noon dances for the student body, volunteered to take down chairs after assemblies, and presented awards to outstanding Senior students at the Recognition Assembly in May.

Traditionally known for the ingenuity of its money-making schemes, the Key Club this year sold activity calendars, held a "Slave for a Day" program, and sold carwash tickets. The Key Club had a highly successful year.

## To Serve Charitably

Well, we made another big haul today.

The Distributive Education Club is for those students who are interested in retailing. The class meets each day from 8:00 to 9:30 a.m. to study business techniques under the direction of Mr. Delmar Slagell. At 1:10 p.m. the students leave school and report to their jobs. At the end of a grading term the D. E. student receives two grades—one from his classroom instructor and one from his employer.

Among this year's activities were the State Future Distribution Leadership Conference, an area conference at Lincoln, and an employer-employee banquet. Selling mums for the football games and the Homecoming Dance was the main fund-raising project.

What does P.T.A. mean to students? To some it means that their parents are gone on the third Tuesday evening of every month. To others it has no meaning. Yet the Parent Teacher Association serves the students. It helps parents to understand what is going on in the classroom and helps the teacher to know more about the home situations of his students.

The big project of the P.T.A. this year was the Bar-B-Que and carnival held in the fall. A rainy day discouraged no one. The Bar-B-Q was a huge success; and the parents, teachers, and students had great fun. The P.T.A. plans to make this an annual money and merry-making affair.

. . . Now, mothers, pay attention!

# How Many Days Will That Be?

Junior Class Officers, left to right: John Young, president; Carol Lee Watts secretary; Keith Blair, treasurer; John Tanler, vice-president.

The juniors, next year's leaders of our school, prepare to enter their new position as seniors at Lanphier. Through their first two years at Lanphier, they have gained the experience necessary to become the respected examples for the younger classes. Through the past year, the juniors not only presented the traditional Junior-Senior Prom, but they engaged in many activities that brought recognition to Lanphier.

## Wise And Wonderful Seniors

Senior Officers, left to right: Don McGuire, president; Sara Martin, secretary; Ray Gobble, vice-president; Judy Nipp, treasurer.

True to senior tradition, 1960's seniors accomplished an attractive list of activities. Some of these highlights were Homecoming, Career Day, and, of course, the Class and Graduation Service. These memories will long be a part of the seniors.

## Seniors Carry Out Lanphier Tradition

Senior homerooms sent Christmas packages to an orphanage in Reggio, Italy.
